

OUTDOOR LEARNING

Splash, Dig and Nature

Construct-A-Trail

OL-SDN-CONTRA-F

TECHNICAL SPECIFICATION

Item measures:
Various lengths and heights

Age Range: 2+

Made from pressure treated timber and planed all round, this 22 piece set has been designed to encourage creativity. Children can build their own trails to play games such as the 'floor is lava' or work together to get from one area to another.

Specifically designed to allow children to create their own route, the Construct-a-Trail can also be used as toy cars ramps or mini town building.
