## ABOUT US AND WHAT WE DO...

- As a family run business and parents ourselves we understand just how important play is to the development of every child. It's our mission to provide excellent quality play structures and spaces with outstanding customer service to ensure that you're confident in letting your little monkeys run wild!
- With over 35 years of accumulative experience within the play industry you can rest assured that our dedicated team of professionals will be with you every step of the way. From a simple swing to a full bespoke structure and landscaping makeover, our team can guide you through from consultation and design to installation.

## OUR SERVICES

Some play areas are simple, like a swing or a slide, while others require a lot more attention to ensure they're safe. That's why we offer a range of services to suit the size and scale of your project.

### OPTION 1 SELF ASSEMBLY

We'll deliver all the components you need to construct your new play equipment yourself. All you need is a few tools.

### OPTION 2 INSTALLATION SERVICE

One of our experienced teams will assemble your play equipment and install any other features you may require.

### OPTION 3 CONSULTATION SERVICE

If you have something specific in mind, we offer a bespoke design and build service for your new play area. Please contact us for more info.
